

Utica-Rome Aviation Safety Seminar

At this exclusive event you will hear about new aviation safety updates, airmen certification, and the Griffiss UAS Test Site. You will also learn how to prepare for the winter flying season to include aircraft icing. Attend and you will also receive the latest information regarding Airmen Certification Standards, Nextgen and ADSB, Sharing Airspace with Military traffic and much more. Click on the link below and register TODAY.

Directions: Route 12 North at Horatio Street or off Route 49, Utica, NY. Enter Kunsela Hall entrance with flags in front and Auditorium is straight ahead.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
